## TERMS OF SALE

**CASH PLAN:** This plan earns 3% discount and free boxing. On bulky stock, boxing sometimes amounts to 6% or 8%, so this plan earns a total of from 6% to 10% discount. Under this plan we book the order, reserve the stock until September 1st for Fall shipments and March 1st for Spring shipments. Bills are due on these dates and remittances must be received on or before September 1st, or March 1st, to earn the discount.

**PARTIAL PAYMENT PLAN:** Whereby one-third amount of order is remitted in advance, and the balance goes forward Freight or Express C. O. D. payable at destination.

**CREDIT:** We extend the usual terms of credit to regular customers and to parties known to us; otherwise we require cash in advance or satisfactory reference with sufficient time before shipment to make necessary investigation. We will not accept orders until we believe that the buyer is good for the account. Fall shipments due December 1st, Spring shipments due June 1st.

**GUARANTY:** While we exercise the utmost diligence and care to have our stock true to name and hold ourselves in readiness on proper proof, to replace all trees, etc., that prove otherwise, or refund the amount paid, it is mutually understood and agreed between the purchaser and ourselves that we shall not in any case be liable for any sum greater than the amount originally received for said trees, etc., that prove untrue.

All orders are accepted by us upon the mutual agreement between the purchaser and ourselves that we shall not be responsible for other damages.

This catalogue cancels all previous price lists. Prices net no discount.

A certificate of inspection will accompany each order.

**CLAIMS:** No claims for rejections or deficiencies will be entertained unless made within five days after arrival of goods. In no case will we assume responsibility after consignment to purchaser. When losses occur by delays or other causes of whatever nature while goods are in transit, make claim **AT ONCE** on the forwarding companies.

**CAUTION:** We accept all orders upon condition that they shall be void should injury befall stock from frost, fire, hail storms or other causes over which we have no control.

**PACKING:** Packing will be done in the best possible manner, and charged for at the cost of material used. Boxes and bales delivered free of charge to all railway stations. After goods are delivered to forwarder in good condition our responsibility ceases.

## NOTICE!

All goods sold by us are sold f. o. b. point of shipment, and while in transit are at purchaser's risk. We feel it is our duty to emphasize the fact that we do not insure the safe delivery of goods and that the title of any goods sold by us and consigned to the purchaser or consignee designated by purchaser passes to the purchaser upon delivery by us to the carrier at point of shipment.

And we desire to make it clear to the trade that the railroad or Express Company's receipt relieves us of all responsibility, and any claim for damages should be made immediately to the agent at the point of delivery.

# One-Man Shrub Digger

This machine is the best labor saving machine on the market. It saves the labor of two men and four to six horses. Only one man is required to sit on the seat and operate. Handles as easily as a riding cultivator. For heavy 3-4 ft. shrubs use four-horse evener; for light digging only one team is required.

For pruning Evergreen roots and light digging, remove lifter, adjust depth of blade by raising or lowering back wheel adjustment. In nursery rows where three or four varieties are growing in the same row to dig one of the varieties in the middle of the row, drive down the row to variety wanted, trip lock and digger will be in position as in illustration—dig variety wanted, raise blade to upright position where it locks, and drive on.

Very fine for June Bud Peaches. To dig 2 year apples wrap doubletree with burlap.

This digger is just the thing for a nurseryman with a few acres and short rows and is also just what the larger grower has been looking for. Will pay for itself the first week. Not carried in stock. Order early to have digger on hand when you want it.

Diggers with 18 to 20 inch blades are of extra heavy construction to withstand the additional strain.

Prices complete, eveners and neckyoke not included:
